**CHOICE PREMIER®**  
Product Guide

# Elegant. Affordable.™

**F**ind your style with Choice Premier®. Whether you prefer a contemporary, transitional, or traditional style, you will find what suits your taste in Choice Premier®. Go bold by pairing white Aspen cabinets with a soft gray Driftwood island. Stay classic and refined when you pair our creamy Renaissance profile with our rich Kensington door front. Use Choice Premier® to create a room that guarantees that “**WOW**” factor.

Each cabinet is solidly constructed utilizing the finest hardwoods and quality hardware. This line features thick cabinets, deep drawers, soft close hinges, and metal undermount glides. Functional beauty best describes Choice Premier®.

Our Choice Premier® line is perfect for those who are:

- Homeowners

Great for:

- Kitchens
- Baths
- Laundry rooms
- Great rooms

# OUR CERTIFICATIONS

**KCMA**®  
(Kitchen Cabinet Manufacturers Association)

## CERTIFICATION

All of Choice Cabinet door styles are certified by the KCMA and comply with the requirements of NSI/KCMA A161.1. A cabinet that bears the KCMA certification seal is recognized in the industry as a quality product capable of withstanding a battery of rigorous testing, simulating years of typical household use.

## CARB2 CERTIFICATION

Choice Cabinet is proud to be a CARB2 Certified kitchen cabinet manufacturer. Our cabinets comply with the rules and regulations of composite wood products established by the California Code of Regulations, nationally implemented by the EPA in 2016.

# ASPEN

The crisp white finish applied to this modern Shaker-inspired door front is an open canvas waiting for your personal design touch. Our Aspen door is a full overlay style with a recessed, wood veneer center panel on both the door and drawer fronts. The solid hardwood frames remain simple in design and are built for quality and durability. The Aspen door style offers a simplistic Shaker look that can be easily incorporated into a modern or transitional design plan.

## DOOR STYLE FEATURES

- Full overlay
- Solid wood mortis and tenon stile and rail
- 5-piece drawer front
- Painted MDF center panels
- Painted white

# CAMBRIDGE

Our rich, honey-brown Cambridge door front adds warmth to any design space. This traditional door style provides a truly custom look with its ornate, multi-faceted door front. Incorporating a blend of finely detailed stepped edges with a gently scalloped raised panel, our Cambridge door front embodies the look of Old World elegance and luxury which will always be in style.

## DOOR STYLE FEATURES

- Full overlay
- Solid wood mitered stile and rail
- 5-piece drawer front
- Solid wood center panels
- Mid-tone brown stain with burnishing stain

# DRIFTWOOD

The Driftwood door front mirrors the design and structure of our Shaker-inspired Aspen door. With a soft, light gray finish, the Driftwood door style is versatile enough to complement your traditional, transitional, or contemporary design space. Try mixing hues together by combining a light gray Driftwood island with our crisp white Aspen cabinets for a sleek, modern look.

## DOOR STYLE FEATURES

- Full overlay
- Solid wood mortis and tenon stile and rail
- 5-piece drawer front
- Painted MDF center panels
- Painted gray

# HAMPTON

Bright and inviting, our decorative Hampton door front boasts eased waterfall edges and a five-piece drawer front to match the door. With soft, beveled edges, our white Hampton door style is the perfect choice for several design options ranging from a homey farm-look to a classic traditional style.

## DOOR STYLE FEATURES

- Full overlay
- Solid wood mortis and tenon stile and rail
- 5-piece drawer front
- Painted MDF center panels
- Painted white

# KENSINGTON

The warm, dark walnut-inspired stain applied to our Kensington door provides a deep rich look for your design space. The inherent detail and beauty of the wood grain remains subtly transparent through the warm tones of the stain. With multiple layers of beveled edges, this door front can be used in a traditional or transitional design plan. Because this door is the same style as our Renaissance profile, it is easy to mix both colors to create a unique and elegant aesthetic.

## DOOR STYLE FEATURES

- Full overlay
- Solid wood mitered stile and rail
- 5-piece drawer front
- Solid wood center panels
- Deep walnut stain

# RENAISSANCE

The creamy, antiqued look of our Renaissance door front is achieved through the application of a warm amber stain and a brown glazed burnishing technique. Due to the nature of the authentic, hand-applied glazing, each door may vary slightly in its finished appearance, adding to the overall beauty of the design. Detailed, stepped edges and scalloped raised panels help to create this ornate style. Mix these cabinets with our Kensington line to create a truly custom look.

## DOOR STYLE FEATURES

- Full overlay
- Solid wood mitered stile and rail
- 5-piece drawer front
- Painted MDF center panels
- Painted cream with a caramel glaze

# VISTA

Vista combines a silky brown stain with a deep chestnut hue, which showcases the natural beauty of the wood grain. This Shaker style front features a full overlay with a matching drawer front. Vista's clean and pure lines offer a simplistic design for your modern and transitional space.

## DOOR STYLE FEATURES

- Full overlay
- Solid wood mortis and tenon stile and rail
- 5-piece drawer front
- Veneered MDF center panels
- Dark, rich stain

# CHOICE PREMIER® FEATURES

<b>13 • TOE KICK</b>
4 1/2" high and 1/2" thick veneered plywood, unfinished toe kick

(\*) Temporary variance may occur in back panel construction as well as between shelf support types.

# LIFETIME LIMITED WARRANTY

## I. Description of Warranty

This warranty applies only to the original purchaser for as long as he/she lives in his/her home, and it is not transferrable. From the date of initial purchase, Choice Cabinet offers purchaser a Lifetime Limited Warranty on all of its cabinetry. All drawers, shelves, roll out trays, and mechanical components are covered under the warranty as well. In the event that any Choice Cabinet product fails during the course of normal use, Choice Cabinet, at its discretion, will either repair or replace the defective product.

Whether the installation of the cabinetry was performed by a contractor, a Choice Cabinet authorized dealer, or you; any expenses involved in the shipping, removal, installation, or consequent damage of the defective product is not covered under this warranty. Additionally, this warranty does not apply to products installed in mobile homes or recreational vehicles.

## II. Intended Use of Product

To be covered by this warranty, the product must be used only for its intended purpose(s). Cabinets that have been improperly stored, installed, misused, modified, mishandled, and/or subject to excessive moisture or extreme temperature and humidity levels are not covered under this warranty. In addition, any damage caused by smoking or environmental/chemical effects is also not covered under this warranty.

## III. Anticipated Variance in Product

The Choice Cabinet warranty only applies to product defects and does not apply to properties of natural wood that are inherent in natural wood species. Anytime you have a natural wood product, occurrences such as pinholes, knots, and variances in color or grain are normal and are not covered under this warranty.

Because half of the weight of freshly cut wood is water, its natural properties are such that they can react to climate and/or humidity changes in your home. Choice Cabinet doors and face frames are manufactured from solid wood that has been carefully kiln-dried, retaining just enough moisture for proper construction and finishing. These hardwoods continue to react to their surroundings long after the manufacturing process has been completed. When wood cabinet doors are in a warm, moist environment (high humidity), the wood expands. In a dry, colder environment (low humidity), the wood will contract. Even with humidity regulation, this phenomenon can be controlled, but it can never be completely eliminated.

Door panels may also be prone to this minor expansion and contraction as seasonal temperature and humidity changes occur in your home. The contraction (shrinkage) of the center door panel during periods of low humidity may result in the appearance of an unfinished line along the edge of the center panel. Choice Cabinet does not consider the appearance of this line a defect and will not replace doors due to this situation. Touch-up markers are made available to cover this. The installation of a humidity control system is recommended to reduce the possibility of expansion and contraction in wood products.

All Choice Cabinet doors are manufactured in moisture-controlled environments under precise specifications. Although slight door warping can be common in one or two doors within a newly installed kitchen, any door that has not been through a complete heating and cooling cycle has the possibility of warping. Slight warpage can be eliminated through hinge adjustments. Any warping that continues to occur should be further examined by removing the door from the cabinet and placing it on a flat surface. Hinge spacers are available through your authorized Choice Cabinet dealer in cases where the warping cannot be eliminated through hinge adjustments. If warping cannot be eliminated through hinge adjustments or the use of hinge spacers, and if the doors have been through a complete heating and cooling cycle, and if all of the cabinets are true and plumb, then Choice Cabinet will consider replacement.

As mentioned above, normal movement in wood products is typical. In addition to issues listed above, climate conditions can cause finish breaks, recesses, joint and panel lines. An open joint line is not considered a defect and is not covered under this warranty.

# LIFETIME LIMITED WARRANTY

## IV. Product Repair or Replacement

Throughout the duration of the warranty period, Choice Cabinet's sole obligation is to repair or replace any defective product at no charge. This warranty only applies to cabinets and affiliated products sold by Choice Cabinet or offered through an authorized Choice Cabinet dealer. In the event that a claim is filed after the original product has been discontinued or cancelled, Choice Cabinet will honor the warranty, at their discretion, subject to the availability of the product, by either:

- Repairing or replacing the defective product with a new product of the same style

OR

- Repairing or replacing the defective product with a product of equal value and complementary style in order to maintain the appearance of the original cabinetry purchase.

***An exact match between the finish of the original purchased product and the replacement or repaired product is not guaranteed.***

## V. Rights of Consumer

There are no other warranties, disclosed or indicated, associated with this product. This document serves as a description of the consumer's definitive legal rights within the transaction and is the exclusive warranty of Choice Cabinet. The exclusion or partial limitation of contingent or substantial damages is not permissible in some states. The consumer may also have further rights from state-to-state which are not cited in this warranty.

## VI. Submission of a Claim

All claims must be submitted to the authorized Choice Cabinet dealer where the cabinets were originally purchased. Claims are to be submitted in writing. Every claim must include a dated copy of the original sales receipt as a proof of purchase. Unless and until the product is specifically requested by the Choice Cabinet claims department, please do not send the defective item(s).

# ONLINE SUPPORT

The Choice Cabinet website contains a wealth of information about our complete line of products. You will find galleries of finished projects, door styles, and accessories. Be sure to check out our Learning Center and the easy-to-use **Plan Your Space** feature.

Visit [choicecabinet.com](http://choicecabinet.com) to see the tools we have available so that you can be confident in your decision making process.

**choicecabinet.com**

The screenshot displays the Choice Cabinet website interface. At the top, there is a header with contact information (855-378-2828 | DEALER LOGIN) and navigation links (WHERE TO BUY | BECOME A DEALER | BECOME A REP). Below this is the Choice Cabinet logo and a main navigation menu with links for PRODUCTS, GALLERY, ABOUT US, and CONTACT US. A secondary navigation bar features categories: HOMEOWNERS, BUILDERS / CONTRACTORS, MULTI-FAMILY, and LEARNING CENTER. The main content area is dominated by a large, high-quality photograph of a modern kitchen with dark wood cabinets, a granite countertop, a stainless steel sink, a microwave, and a stove. Below this main image is a grid of eight smaller gallery thumbnails, each with a title and a right-pointing arrow. The thumbnails are labeled: Cambridge Kitchen, Kensington Kitchen, Vista Bathroom, Cambridge Kitchen, and four unlabeled kitchen images.
