

## OUR DOOR STYLES

A quality cabinet is judged by two distinct features - beauty and strength. We design our lineup by the most popular door styles and finishes. You'll find that **Choice Cabinet** offers traditional and contemporary styles in an ample variety of finishes and colors.

# Bathroom Cabinetry Guide

All product photography was reproduced as accurately as printing technologies permit. Due to printing limitations, the pictures are not guaranteed to match the actual cabinets. To ensure the highest satisfaction in our products, we strongly recommend for you to view actual sample doors for truly accurate color, wood grain, and finish representation.
