# Choice Essentials®

We understand that kitchen and bath projects can get expensive, so we created the Choice Essentials® line. You can still expect the same all wood quality construction in this budget-friendly offering. While it comes with standard glides and hinges, you can easily upgrade to soft close. The Choice Essentials® line is perfect for builders, contractors, and rental properties.

Design a dream master suite, hallway bathroom, or powder room that truly reflects your personality and style. Combine our standard kitchen cabinetry with bathroom vanities to achieve the convenience and organization you are looking for in a designer bathroom. Create a dream bathroom by incorporating different cabinet combinations with thoughtful touches.

A bathroom remodel does not have to stop at vanities. Create a medicine cabinet with one of our wall cabinets. A tall pantry cabinet creates a great linen closet. Our knee drawer is great for organizing all of your make-up and hair accessories. Take advantage of the variety of cabinets Choice Cabinet has to offer to design a bathroom with your lifestyle in mind.

Photography and color samples shown have been reproduced as accurately as printing technologies permit. To ensure your highest satisfaction, please view actual product samples prior to ordering cabinetry.

In maintaining our policy of continuous product improvement, Choice Cabinet reserves the right to change design and material specifications as required and without notice.
