CHOICE CABINET

STORAGE & ACCESSORIES

There's nothing better than finding what you need quickly. That's why our storage and accessories keep your kitchen (or any room) organized while making it easy to customize your cabinets.

1

Make hard-to-reach items easier to grab with our roll-out trays. They're perfect for tall pantries with canned goods or lower cabinets holding pots and pans.

2

Mullion doors add elegance, with modern or traditional styles to match your look.

3

Decorative doors can add charm to a modern or contemporary island.

4

With so many molding options, you'll be able to find one that fits your style. Go with something elegant for a traditional look, or keep it simple for a more modern feel.

5

Whether you go with a single or double bin, our trash pull-outs are designed with your family in mind. They help save space while keeping trash and recyclables out of sight.

6

No matter which Lazy Susan you choose, reaching those tucked-away items is easy. You can pick between full-round or pie-cut trays.

7

You can also have your cabinet doors cut for glass. Choosing the right style of glass can set the mood for any space.

8

Our wooden cutlery divider is great for organizing messy drawers. You can use it to tidy your silverware and your junk drawer.

9

Set your kitchen apart by adding decorative legs. They're perfect for highlighting your range or adding detail to your kitchen island.

10

Whether you're storing spices or other food items, our base pantry pullout is a great space-saving solution.
